

You're Invited to Join Cedar Hill Enrichment Center

In the midst of our hectic lives, it is necessary to have a place of stillness and tranquility. In the face of our ecological crisis, it is vital to have a place to go to learn new ways of being with our Earth. As we awaken to our responsibility to care for all of creation, it is crucial to have a place to go where we are supported, challenged, and loved, where we can strengthen our connection to the Divine and bring our vision into being in the community and the world. Cedar Hill Enrichment Center is such a place.

Individuals and groups have been coming to Cedar Hill for over 15 years. During that time we have grown from a handful of dedicated participants to a growing community engaged in the sustainable future of Cedar Hill. Clearly Cedar Hill meets a need...it makes a difference. It matters. In order to continue to prosper and provide the services we have all come to rely on, we need an ongoing source of funding. Program fees bring in only a small portion of our operating budget. To secure our future as a place of sanctuary, Earth education and spirituality, we need your help.
